TRAFFIC ALERT

SIXTH AVENUE REPAVING PENNINGTON STREET TO TOOLE AVENUE

RESCHEDULED

The planned milling and repaving project for the northbound left turn lane on Sixth Avenue from Pennington Street to Toole Avenue has been rescheduled to Wednesday, February 20, 2019. Southern Arizona Paving and Construction, under contract with City of Tucson Department of Transportation (TDOT), originally planned to perform the work on Thursday, February 14, 2019, but rescheduled the project due to the forecast of rain.

This one-day project is still scheduled to begin at 8 a.m. and will be complete by 4 p.m. The schedule is subject to change due to inclement weather or unforeseen circumstances.

During the work, the left turn lane on Sixth Avenue between Pennington Street and Toole Avenue will be closed to motorists.

The traveling public can expect delays when traveling in the work area. Please obey all traffic control signs and watch for construction personnel and equipment in the work zone.
